

# Perkins V

P20 Data Summit

May 24, 2019

# Carl D. Perkins Act

It is the largest source of federal funds for Career Technical Education (CTE).

Nationally it is \$1.2B

Hawaii's share is \$6.149M

# Purpose of Perkins V

“...to develop more fully the academic and employability skills of secondary and postsecondary education students who elect to enroll in CTE programs...”

# Perkins V focuses on

- Equity
- Program quality/program improvement
- Systems development, alignment and sustainability

# What's new in Perkins V?

- Needs Assessment
- Labor Market alignment
- Stakeholder engagement
- A focus on addressing disparities in the success of Special populations
- Use of funds for middle school career exploration

# As for data in Perkins V...

- A new definition for a secondary concentrator
- Significant changes in the processes for setting performance targets
- Consolidation of non-trad measures into one
- Elimination of technical skill attainment
- Disaggregation of data for each core indicator by CTE program
- Selection of an additional secondary quality indicator

# Perkins V

How is it related to  
WIOA and ESSA?

Congress *intentionally* aligned  
these three Acts

## For all of us, success will be defined by:

- Our cross-system collaboration
- Adoption of common metrics
- Expansion of statewide Data System capacity
- Expansion of the scope of data collection.

# A parting thought...

Collaboration  
moves at the speed of trust.

Social change  
moves at the speed of  
collaboration.
